2018 Alabama State Counselor Report

TO: Brother Christopher Brooks. Alabama State Representative
Brothers of the Omega Psi Phi Fraternity, Inc., State of Alabama

FROM: Brother Brandon J. Wooten, Esq. - State Counselor

DATE: October 9, 2018

2018 STATE COUNSELOR REPORT

Since becoming State Counselor at the 2017 State Meeting, I have attended the Alabama State Council Winter Workshop in February and attended the 2018 Conclave where I gained valuable insight of the legal issues resonating throughout our fraternity nationally. I have participated in multiple conference calls and investigations, with a focus on performing any duties assigned by the State Representative.

I am pleased to report that to the best of my knowledge there is no pending litigation against the Omega Psi Phi Fraternity, Inc in the State of Alabama. However, there have been two investigations by our State Organization and two undergraduate universities, where one of the undergraduate chapters endured disciplinary action.

To my knowledge I have reviewed all contracts signed by the State Organization for the year 2018. Please submit all contracts that are or appear to be legally binding on the Alabama State Organization of the Omega Psi Pi Fraternity, Inc to the State Counselor prior to entering into the agreement.

Brothers are encouraged to utilize insurance provided by the fraternity for your chapter sponsored social events. This is important to minimize your chapter's exposure to being fiscally responsible in the event legal action is consummated. Also, Brothers please be advised that chapter insurance premiums need to be paid promptly by the prescribed deadline.

Finally, I am available for consultation regarding all matters of legal importance. If questions arise regarding insurance, contract issues, fraternal legal exposure, constitutional interpretation or codes of conduct please contact me for assistance. I will continue to make my law firms resources available to support the Alabama Statewide Organization and to further service Omega Psi Phi Fraternity, Inc.

Submitted in Service and Duty,
Brandon J. Wooten Alabama State Counselor

Regional 1 Representative Report

State of Alabama 7th District OMEGA PSI PHI FRATERNITY, INC.

October 8, 2018

To: Christopher Brooks
Alabama State Representative

From: Alex L. Richards
Region 1 Representative

REGIONAL 1 REPRESENTATIVE'S SUMMARY

General Information:

- This report is intended to update the brotherhood of the progress and challenges in the State of Alabama Region I. Region I is comprised four graduate chapters and four undergraduate chapters. The chapters that are represented Region I are Alpha Pi (G), Alpha Delta Beta (U), Gamma Psi (U), Nu Epsilon (U), Psi Kappa Kappa (G), Theta Eta (U), Theta Tau (G), and Xi Omicron (G).
- All chapters that reported within the region are in compliance with national, district, and state requirements of Omega Psi Phi Fraternity, Inc. Each graduate chapter that reported has submitted their Quarterly Reports in a timely manner (forms 37, 50, and 53). All chapters participated in the 41th Annual State Meeting that was held in Huntsville / Madison, Alabama and 7th District Meeting that was held in Atlanta, Georgia. All chapters sent delegates to support and vote of the fraternity's tasks.
- To my knowledge, all undergraduate chapters are currently in good standing with the Fraternity and their respective colleges and universities with the exception of Alpha Delta Beta at the University of North Alabama. The undergraduate chapters continue to have high grade point averages as the aspire for higher Scholarship, but still, a few are not as good as they need to be with submitting their reports on time.
- The Region I Representative in concert with the 1st Vice State Representative have started communication with The University of Alabama – Huntsville (UAH) with the eventual intent of chartering a chapter on their campus. This action, if approved by the University and District Representative would be very beneficial to the Alabama's strength in the 7th District.
- All chapters that reported conducted their Mandated Programs or paid associated fees.
- Each chapter provided at least one public service to their respective community. Thousands of man-hours donated toward Social Action Projects. Thousands of donations provided to worthy charities and organizations.

- All graduate chapters continued to provide scholarships to deserving college bound students. Over \$20,000 in Scholarships Awarded.
- As a Region, overall, we are not as good as we need to be in reporting, documenting successes and actions. I look forward to a better year of publicizing our efforts on the state, district and international levels.

 - Psi Kappa Kappa partnered with North Alabama National Panhellenic Council on their Annual Christmas Toy Drive. The collective effort allowed over 100 children ranging from ages 7-15 to have something under their tree for Christmas.
 - PKK conducted its annual blood drive had several volunteers to be screen but only 8 donors were successful in donating. 24 lives can be saved by the number of units collected.
 - PKK conducted and continue to conduct voter's registration/education drives. The number of drives made a difference in the local area.

Recommendation:

- Though communication has improved over the past couple of years between the Regional Representatives and represented chapters, it has still been a strain to keep needed information flowing in both directions. Currently, it is not mandatory that the Region Representative be copied on any information flowing up from chapters or down to the chapters. The Region Representatives are not notified if a chapter requests permission for MSP or even if a chapter is under investigation. I am not sure

how to totally rectify the situation, but I believe that tying the Regional position to the MSP position, even as an alternate, would be a good start.

Upcoming Activities:

- Chapter Achievement Week Activities.

Finally, I would like to thank our State Representative for allowing me to serve our beloved fraternity as the Region I Representative and look forward to another great year ahead.

Fraternally Submitted,

Alex L. Richards
